Spectra System camera accessories

The accessories listed below add to the versatility of your camera and to your enjoyment of your photographs.

For information on these and other accessories, please contact your dealer or the nearest Polaroid Office.

Special Effects Filters: This kit contains a filter holder and five filters which enable you to simulate motion, create "starburst" effects, produce multiple images of a single subject, and surround your centered subject with a reddish glow.

Remote Control: This accessory allows you to take pictures while standing up to 40 feet (12.2m) from the camera and operating it with a special radio transmitter. Use the Remote Control to photograph wildlife or include yourself in group portraits.

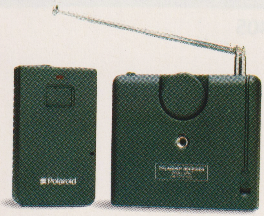

Table Tripod: This compact tripod – designed to be used with most Polaroid cameras – has a fully adjustable head, folding legs, a sturdy aluminum body.

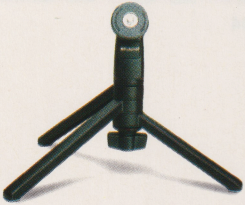

Photo Cassette: This 4.38 x 4.38 in. (11 x 11 cm) cassette will store up to 15 *Spectra System* photographs.

PhotoFile: Holds 20 *Spectra System* photographs.

Laser prints and enlargements

Polaroid now offers laser prints and enlargements of your *Spectra System* photographs. Using advanced laser technology, Polaroid Laser Print Service will produce borderless prints and enlargements, with superior color and detail.

For more information, contact your dealer or the nearest Polaroid Office.

Accesorios del *Spectra System*

Los accesorios que se citan a continuación aumentan la versatilidad de su cámara y permiten que Vd. disfrute más de sus fotografías.

Si desea más información sobre estos u otros accesorios, diríjase a su proveedor habitual o la oficina de Polaroid más cercana.

Filtros para efectos especiales: El estuche contiene un portafiltros y cinco filtros que sirven para simular movimiento, crear efectos de "destello", producir imágenes múltiples de un mismo personaje u objeto y rodear al sujeto central con un halo rojizo.
